Fall 2017

Dear Parents/Guardians,

The School Construction Authority is in the process of renovating our gymnasium roof and pointing/waterproofing our bricks throughout the exterior of our building. As a result, we will have scaffolding and bridging around the periphery of our building, as well as, a few dumpsters and portable bathrooms. This work will continue throughout this school year and is projected to be completed by the summer of 2018. All work will be done after school is out of session each day and follow Department of Building guidelines. All safety measures are in place to ensure that students, staff and parents can enter and exit safely. Please be mindful of the dumpsters during drop off and pick up. Thank you.

If you have any questions, please contact me at 718 984-1688.

I look forward to a productive and enriching school year!

Sincerely,

A handwritten signature in blue ink, appearing to read 'Nancy Spataro', written in a cursive style.
