Dear PS 32 Families,

As we move toward remote learning beginning on Monday, March 23, 2020 at 8:00 a.m., you will see that teachers have already started to invite your child into their Google Classroom. This new learning environment will be successful as long as we establish routines and habits for your children, to facilitate this process.

Please work with your child on the following:

- Complete instructional activities assigned by the teacher in a timely manner
- Participate in check-ins, discussions and other communication mechanisms as expected by the teacher
- Review teacher feedback and complete any follow up activities assigned

Please notify your child's teacher or assistant principal if you have any concerns about your child's progress or if additional support is needed. In addition, please ensure that your child is adhering to appropriate behavior on the websites provided. If you need support navigating Google Classroom please reach out to your teacher or refer to the NYC DOE Official Website.

We are mindful of the current situation you may be facing. We are here to support you in this transition to remote/online learning and will be working closely with you to address any concerns you may have.

Best,

Nancy Spataro-Bellocchio

Principal
