Dear Parents,

We welcome you to Think Central, a website where you can access your Go Math! textbooks and fun interactive activities! Go to <https://www-k6.thinkcentral.com/ePC/start.do>

Welcome to **THINK**

Use the dropdown boxes to select your state, district, and school, as in the illustration above. You may want to click "Remember My Organization." You have been assigned your OSIS number as the username and the temporary password is 12345. If your computer asks if you want to allow pop-ups, select **Always Allow Pop-Up From This Site**.

Once you are in the system, you simply **click on Library** to access your **Student Edition** (it may take awhile to load). Note you can go to any page in your book, and access iTools (eManipulatives), Animated Math, etc. You can also access some printable resources in the Student Library by clicking on items such as the Go Math! Standards Practice Book. Don't forget to investigate the Real World Videos! "Things to Do" will list current assignments if your teacher is creating assignments. "My Test Scores" will list scores of online tests IF your class is taking online assessments.

If you have any questions or concerns, please feel free to contact me at (718)984-1688.
